**Request for Correction of Publication**

1. The above-identified application was published as US Publication No. 2004/0214863 on October 28, 2004.
2. It has just come to Applicant's attention that there are significant errors in the published application.
3. The front page of the publication is correct in its entirety.
4. In US Publication No. 2004/0214863, Paragraphs 1 through 179; claims 1-35; and Figures 1A, 1B, 2A and 2B are incorrect, and were not filed in US Application No. 10/623,577.
5. The contents of the entire publication are incorrect except for the cover page.
6. Applicant respectfully requests that US Application No. 10/623,577 be republished with the correct specification and claims as filed with the US Patent Office on July 22, 2003.

Respectfully submitted,

Edward D. Grieff  
Registration No. 38,898
